"By giving people  
the power to share,  
we're making the world  
more transparent."

~ Mark Zuckerberg

# *Micrologic*

"To me,  
this is not an information age.  
It's an age of networked intelligence,  
it's an age of vast promise."

~ Don Tapscott

"Any sufficiently  
advanced technology  
is indistinguishable  
from magic."

~ Arthur C Clarke
